Dear School Scholarship Coordinator,

The Panhandle District Dental Society Scholarship Committee is now taking applications for the Panhandle District Dental Society Memorial Scholarship. This scholarship is available to incoming freshmen for the 2012-2013 school year. We have four \$1,000.00 scholarships available for graduating seniors in the Panhandle. The scholarships will be distributed \$500 per semester. Our scholarship committee looks primarily at academic performance, student involvement, financial need, and vision for the future. With these criteria in mind, a student should submit a one page essay describing himself or herself and a completed application, including high school transcript with GPA, SAT or ACT score, and class size and rank. A recent photo is also desired. Interest in the dental profession would be a consideration but is only a secondary criterion.

Please submit applications by April 2, 2012 to:
