That will open a new browser. You will need to enter the student's first name and social security number. If you do not have the social security number, you will need to contact the school to get your child's TSDS number.

Once you have the unique code, you will enter that on the texasassessment.gov website, along with the student's birthday.

Click sign on. It will take you to your child's report. If you have any questions about the report, please contact the school.
