

Channing Independent School District
District Improvement Plan
2022-2023 Formative Review

Mission Statement

Our goal is to promote excellence in student achievement and to create a positive learning environment through establishing and strengthening lines of communication between school, home, and community. We will involve parents and community members in the learning process to ensure that our students experience success.

Vision

At Channing ISD, our vision is to cultivate purpose, intentionally inspire, and positively impact the future.

Long Range Goals

1. Academic Excellence: Design and implement engaging and rigorous learning experiences that challenges all students and targets individual student growth.
2. Communication and Marketing: Foster strong partnerships and relationships with all stakeholders (staff, students, parents, community).
3. Environment: Maintain a safe, secure and caring school that fosters student learning and provides a positive work environment.
4. Personnel: Develop, recruit, and retain 100% highly qualified staff through clear expectations, meaningful performance appraisals, and continuous professional development.
5. Technology: Update and integrate technology into instructional and administrative programs.

By 2025, the accountability rating for the school District will be an A.
