I will provide each coach with contact information for your players' parents to help you communicate practice times with them. You can use our court or the court on the playground or anywhere else you would like to practice. If you would like to use our court, contact me ahead of time at 806-420-5221 and I can get you in.

-Mr. Graves

Rules for Gameplay

No zone defense only man with the younger teams. 5 and 6 teams are allowed to run 2-3 Zone if desired to keep players fresh.

If one team is missing a player and only has four, the other team will play with four and sub in their extra.

No running up the score, work passing and fundamentals before scoring!

Other rules can be agreed upon by coaches on a game by game basis.
